Team arrival in Australia

As per Bulletin #1 the organiser can provide a shuttle to the DZ on your arrival. ** This is a limited service and only available by pre booking and pre paying and on a first come first served basis.

Pickups from the International Airport will take longer, be prone to delays and there is no parking out the front of arrivals etc so coordinating , meeting and picking up is a lot more difficult.

However, as Campbelltown Station is only a 14-16min drive from the DZ at Picton, it is a lot quicker to get to Campbelltown Station and then we can normally arrange a lift from there with greater frequency. Trains depart from the International and Domestic Airports every 30min or so direct to Campbelltown train station.
