

# 2012 TROPHY REPORT

*by CIAM Secretary, Massimo Semoli*

At this moment, we have 87 trophies registered: 48 are World Championships trophies, 16 are dedicated to European Championships and 23 are reserved for World Cup classes.

The help of FAI jury members is continuously required in order to check the proper conditions of our trophies.

This year the Trophy management using the new report forms improved a little bit. Next year, the new procedure, approved this year at the Plenary Meeting, will be effective. It is required that the Championship bulletins contain the awarded trophies, when applicable. No signature on the forms will be required and the organisers have to publish and notify to FAI also the results of trophies awarded.

Therefore, the FAI jury members have to inform the organisers to include, in the championships results, also the awarded trophies.

Since the holders are responsible for maintaining the trophy in good condition, the CIAM Bureau monitoring will continue each year.

The list of the trophies status now is in the “Documents” page of the FAI aeromodelling website.

Many thanks to New Zealand for the donation of the Model Flying New Zealand trophies, one for Individual and one for Team classification to be awarded for the F3K World Championships.

The trophies relevant to F4B World Championships (KLM Trophy - individual and FAI Challenge Trophy – team) will be not awarded anymore. The Bureau have to decide how to manage these trophies.

It was discovered that there are two unregistered trophies for individuals at the F1E European championships. The first donated by Germany in 2008 and the second apparently donated in 1984 by Austria. Germany decided to formally donate the first trophy changing the awarding destination and it will be named “Trophy for the Junior Winner of the F1E European Championships”. The plates on that trophy will be transferred on the second trophy.

Moreover, the 1984 trophy needs to be formally registered, repaired and expanded. Austria could formally donate it and Alan Roux accepted to repair it and to make a box. I ask the bureau to support the decision.

F1B Team, Penaud Cup, of World Championship, needs to be repaired and expanded for including new plates and new names. Mr Bob Skinner took the task to work on it and to restore it.

The situation of trophies is enclosed to this report.
