

2021 Interim Bureau Decisions

DATE	IBD No.	SUBJECT	DECISION
5/07 /2021	2021/10	OFFICIALS REPLACEMENT For personal reasons Dr Rainer (Exi) Hoenle has had to resign from the position of FAI Controller. He will however continue to carry out some of the tasks from home i.e. verification of FAI Sporting Licences. It is necessary to find a replacement.	The IPC bureau agreed for Alberto Martin Paracuellos to be released from his position of Juror and he has accepted to take on the role of FAI Controller. His replacement as Juror will be as follows: Gillian Rayner, present on site, will replace him in week one and Doris Merz, also present in Russia, will stay on an additional week and replace Alberto in week two. Our sincere thanks to everyone for their cooperation in solving this matter with limited additional cost.
